L. P. LONEY. FOR SCHLEYOR.

THE American Refugees in Can-ada are calling it "procrastination," now, because "procrastination is the thief of time," and time is money.

Five presidents before Clevelar were owners of real estate in Washington; each sought a re-election two were successful, Washington at

Tus, jury in the case of Maxwell, the St. Louis trunk murderer, re-turned a verificit of "guilty as charge ed in the indictment." This cold-bbod nurrierer will most the jury award of his cowardly act. For a few hundred dellars he killed the friend who trusted how.

A SENATE resolution inquiring in

Lyrone, Ireland. As a youth, he was exceptionally free from the vices which usually beset the youths of the large cities. He was full of spirit, bondholders and release the people, but quiet and thoughtful. The difficulties which marked his youthful or best partial farts, instead of discouraging, gave impetus to his determination of cernol, that the nancessary, illegical impetus to his determination of the study of English literature, science, and, it is said, to the acquisition of some modern languages.

11.6 for a worder a combinator was were consideration, the study of the properties of the people, he of force the properties which would be properties the properties and the properties and the properties of the people, he of force the properties which we have people, he of force the properties which we have people, he of force the properties which we have people, he of force the properties which we have people, he of force the properties which would satisfy the properties and the properties and the properties and the properties and the properties are the properties and the properties are the properties and the properties and the properties are the properties are the properties are the properties and the properties are the prope

some modern languages.

The first against comployment was in the office of the New York Hernik, of which dames to Gordon Bennett was collete. He served on the paper for some time, when, he consuling discoursed, and observing to be in business for himself, he served an apprentise-ship as stone-cuter and grate-setter. In this business he was remarkably successful, has tost ne opportunity to apply his early climathout deficiencies.

cles.

Illia power as a head politician was cardy recognized, for in 1852 be was cheesed. Alberton, and in 1854 be clearly a large and reselved in 1853, the Rolly in 1858, instrument a bill giving 100 acres of the public hand normal actives. He was elected shortfl of New York in 1858, after a large of three years he was re-elected shortfl.

b85, after a lapse of three years lies re-decide deriff.

He was a warm advocate of Mr. Filden for towering, though in later years he was a bitter opponent of the age of Grayotone. John Kelly washways a potent factor in New York politics: the quarrel between himself and Goy, Roblinon became so marked, that he took the field against the latter gentleman and slew off vote-cough to give the state to Alonzo B Cornell. Republican. Mr. Kelly was a bitter cuentw of the Tweedring, and pursued them so closely that his life was threatened on several overalosins. To Tainmany's able chichain Mr. Gleechmol ows his election, for if his opposition had continued, Mr. Bluine would have carried New York.

Few public men larve ever love.
